Outline of Paul’s 2nd Missionary Journey

2. They worked in Derbe and Lystra, where Timothy was recruited to join them. They travel on to Iconium. In these cities they have success in strengthening the disciples and making new converts (Acts 16:1-5).

3. They pass through the regions of Phrygia and Galatia because the Holy Spirit would not let them go to Asia. In Mysia the Spirit changed their plans again and sent them to Troas (Acts 16:6-8).

4. They were now far out of the territory covered by the first journey. But they were to be called further yet. Paul received a vision calling him to Macedonia (Acts 16:9-12).

6. They cure a slave girl of her evil spirit and are thrown into prison (Acts 16:16-24).

7. The jailer is converted (Acts 16:25-34).

8. They are released from prison with some embarrassment to the authorities (Acts 16:35-40).

10. Paul and Silas are sent by night to Berea. Working in Berea, they find ready minds to receive the gospel. But the trouble makers arrive and Paul is taken to Athens to avoid them (Acts 17:10-15).

14. Paul sets sail to go back to Syria. From Corinth Paul went to Ephesus via Cenchrea. He stayed at Ephesus only a short time on that occasion (Acts 18:18-21).

15. He took a ship to Caesarea (south of Tyre and Ptolemais), visiting the church there, then went back to Syrian Antioch where his journey had begun (Acts 18:22).
